

Milton Township
Meeting Minutes
Special Meeting
October 26, 2009

Members present: Cole, Atkinson, Pharo and Ball

Meeting called to order at 9:07 am.

Also present: Jim Trierweiler, Jim Riegler and Doug Strang

Atkinson explained that the meeting was to discuss the location of a parking lot that will accommodate parking for the three ball diamonds and the location of a proposed planting and flagpole.

There were two proposed locations for the parking lot and the planting with the flagpole. There was discussion regarding the park plan and possible new location.

The meeting moved to the park location to get a better look and understanding of the lay of the park and surrounding area.

The majority was in favor of keeping the parking lot per the location on the park plan and moving the planting and flagpole up closer to the entrance and enlarging the scale.

The majority also decided to keep the parking lot with grass and making a designated circular drive.

Doug Strang will mark-out the area for the proposed parking lot this week.

Meeting adjourned at 10:25 am

These minutes are subject to approval at the November 9th. 2009 Board Meeting

Respectfully submitted

Sandra Ball, Clerk
