Public Comment:

Terry Star ER Middle School Principal came to discuss the IB Program and the community service aspect of that program. On May 29th, the students will display their community projects at the school.

Karen Bargy, County Commissioner

Gave an update on personnel issues for the county. Update on Board of Health regarding the sanitation code. Update on recycling. Commissioners are looking to eliminate county recycling program.

Jerry Mensing asked regarding other counties that were doing it themselves and are they making money at it? Bargy said she's not sure if they are making money.

Cole asked if the county were to go for a millage, could we opt out. Bargy said she doesn't know if that would be possible.

Derman asked for an update on the Shanty Creek Water System. The commissioners have hired new legal counsel and he will begin looking into the legality of the issue.

Tree Removal Proposals

Three bids were received. In review of the bids, Northern Tree Transplanting INC has the lowest bid. Motion by Pharo/Atkinson to accept the bid of \$3150 submitted by Northern Tree Transplanting to do the work set forth in the Work Description of the bid. Motion carried.

N. West Torch Lake Dr., North of Indian - Access site:

Neighbors have proposed a plan to have the township pay 1/3 of the cost for trees that are on a tight lot. Bargy suggested that we agree to the plan. No motion at this time.
