Agenda Approval

Agenda approved by consent

Approval of meeting minutes of minutes dated April 11, 2016

Corrections to minutes:

Under Supervisor's Report: Bargy discussed language in the DNR grant for Maplehurst regarding their objection to language. It must be changed in order **for the grant application** to be accepted.

Discussion of Maplehurst purchase, Cole said his intent was that the township **could** provide a second survey, rather than **would**. Subsequent remarks make a second survey unnecessary.

In that same paragraph, correction ~~Brian~~ **Matt** McDonough of the ~~GT-Conservancy~~, **Grand Traverse Regional Land Conservancy**.

Change to read: Atkinson said she listed on the grant application 40k based on our current park budget, but our current park is highly groomed. So I expect this number to be adjusted down.

Change to read: In good faith, the board ~~will~~ **could** provide a second survey. Matt reported on the survey as being a strong one.

Motion to approve as corrected by Cole. Seconded by Atkinson. Motion carried.

Mr. Shreve, from of Cottage Cove inquired about other association escrow funds. He asked how many times one of these associations drew on these escrow funds. Derman said never in Milton, but it was recently done in Whitewater Township. His point is that the cost to replace the field shouldn't be increased, they maintain their field.

Supervisor's Report

As presented by Bargy

Maplehurst Project Agreement: Cole asked about where the funding for demolition is listed. Derman pointed it out. Pharo asked regarding #4, and the improvements.

carried. Bargy abstained.

We also got bids for putting new steps from the lower parking area to the upper parking area. We got two bids, one from James Bargy for \$2700 + \$1485 and one from Billie Russell for \$2700. Cole recommended we go ahead with Billie Russell Construction. Motion by Cole. Seconded by Atkinson. Motion carried. Bargy abstained.

Cole suggested that anything that would be substantial enough should be posted for bids in the Elk Rapids paper. Derman suggested if a family member applies for the job, get several bids.

Chris said the slides on the park toys are in really bad shape. He suggests that while they are doing repairs, they just take those off and board those areas off.

Estimate from Norther Tree to finish taking down dead trees in the park for \$1225. No other bids were received. Motion to approve by Cole. Seconded by Atkinson. Motion carried.

Atkinson said it's been her desire to have month end comparisons and budget estimates. It's a useful tool to have. Does the board have that expectation? Pharo said yes. He would like to see that. Cole asked if we can establish a date so we can review them ahead of time. I think we need to change some procedures and stagger our payables so we aren't doing everything all at the end of the month. S. Ball and Atkinson will work to revise their process.

Bargy said an owner from Florand Cottages would like signs posted for private parking. People wanting to use our new park are using their private parking. Atkinson asked that complaints about the parks be emailed to the Parks and Rec., committee.
