Announcement: Sandy Ball, Milton Twp. Rep is unable to continue to have a seat on the committee. It was her decision, being in the best interest of her family and the committee, but sends her utmost respect to the committee and is confident of the success of this process. Her letter states that Milton Township is recommending Terry Zawora to fill her position.

Business:

- 1) Char called for and attended a meeting with Torch Lake Twp. board on 05/08/14 for the purpose of committee concerns regarding support to go ALS. The TL Twp. board passed a unanimous resolution that the board supports ALS as a target goal for their township, and that ALS service will be primarily at the TL Twp. Hall location. The board also passed a motion to pursue the committee team to review options of outsourcing ALS service for the three (3) townships or to create a consortium of 3 twps. to provide ALS service with a Governance body. They also reserved the option of providing ALS on their own.
- 2) The committee reviewed the resolutions of Torch Lake Township for clarification prompted from the May 4th meeting discussions and accepted the resolutions to move forward with the study committee team.
- 3) Reviewed the goals of this team& reviewed a handout of *Advisory Committees* obtained through MTA by Sandy Ball.
- 4) Discussion to prompt the 3 townships to come together at one table in an effort to clarify the purpose, goals and scope of the Tri-Township ALS research team. A memo will be put together and sent out to the board members.

Mission Assignments: review like information regarding options for EMS service from North Flight, Allied EMS and Mobile Medical Response (MMR) to be compared by working teams of 2 members.
