Also Present; Klaus Heinert of Gosling Czubak, Todd Vigland of G.T. Regional Land Conservancy

Absent; Ball, Payne

Minutes of January 5, 2017 approved by Kingon, second by Wojtowicz

Vigland discussed Maplehurst

- Orchards to be removed due to infestation of 25 cherry trees and 8 or 9 Apple
- Septic Easement discussed. Twp. Board decided not to pursue additional parcels. Current easement to be excluded from MNRTF Grant
- Receiving bids for Environmental removal.

Heinert discussed Beachfront.

- To achieve full points on development grant, MNRTF requires ADA lift from road side to lower level. Twp. Board felt that an ADA elevator would pose a hardship to acquire, maintain through the winter months and prefer to develop ADA accessible sidewalks to be utilized 3 seasons.
- Life Guard Signage with life ring to be installed.
- Stumps to be removed. Bargy to coordinate.

Pending Actions;

- Planning of Ribbon Cutting for Canoe/Kayak Launch

Next Meeting; To be determined.
