

# PARK & RECREATION COMMITTEE MINUTES

January 18, 2019

Present; Atkinson, Gray, Kingon, Payne, Weinzapfel.

Absent; Kopkau

Also present; Lon Bargy, Klaus Heinert of Gosling Czubak

- Approval of December 3, 2018 meeting. Motion by Payne. Second by Kingon.
- Committee to seek Tribal grant for North side parking, Great Lakes Energy and ER Rotary for funding of landscaping and south side steps at crosswalk.
- Atkinson to upload Park & Recreation Master plan to Michigan Natural Resource Trust Fund (MNRTF) portal for 2/1/2020 deadline when approved.
- Heinert discussed MDEQ permit for creation of beach. Commitment to issue permit in 2 weeks pending committee adjustments to the request. Heinert recommended reducing the footage by  $\frac{1}{4}$  with final size approximately 130' instead of 185', along with maintaining a greenbelt by retaining existing trees.
- Group discussions to add curbing to segregate beach from upland. Atkinson stated that it's a very effective practice and reduces the amount of necessary grooming of the beach.
- Atkinson submitted the MNRTF development grant plans for their MNRTF review and approval prior to bid requests. Should receive notification week of February 21<sup>st</sup>.
- Paddle Antrim is finalizing water trail kiosk. Placement of kiosks and kayak racks discussed.
- On site review of tree line at waterfront park to determine removal/trimming for bid requests.
