Public Comment:

Pat Skarnulis of Torch Lake Drive is against the RV Park and he doesn't believe there is a single benefit to the park.

Mary Skarnulis of Torch Lake Drive is here to remind this board of things they said in the past regarding the Torch River Bridge area.

Bob Sullivan of Deep Water Point Lane agreed with the Skarnulis. He sent each of you an email and explaining his interest in exploring a feasibility of a sewer system around the lake. Is there a study in process? He would like to board to move forward.

Terry Roote of Cherry Ave., I know the RV Park is a hot topic. No one wants this park. My property abuts this park and I have no privacy anymore. There are so many ordinances they've violated and who is being held accountable?

Dan Wells of Miller Road said he understands this is allowed in the village under a special land use. This allows them to look at it harder. It adds 15-20 more items to see if it holds up. The property owner removed the greenbelt and we have the right to privacy. I came here to ask for oversight, understanding, and for board to look at the problems this site plan has.

Derman discussed the mutual aid agreement with South Torch Lake. Pharo explained the services in each location. Derman will get an agreement together.

Supervisor's Report: by L. Bargy

L. Atkinson said Parks and Rec met and discussed cross country skiing at Maplehurst. It would do us justice if we could do some pros and cons list. There are a lot of pluses but there are some minuses, too. There are questions about liability and volunteers. We should review the issues and have a discussion.
